

TOPPED SIX TIMES

GLENDALE RESPONDS GENEROUSLY TO REQUEST FOR BELGIAN RELIEF

Glendale citizens have been so interested in the clothing drive which the government inaugurated through the Red Cross for the destitute populations of Belgium and France that they will be glad to know Glendale has lived up to its reputation for patriotic response and gone over the top in fine style. The quota assigned the Glendale Chapter was half a ton, or 1000 pounds, but the assignment was accompanied by the request that as much be collected as possible.

As a result, all the available men in essential and non-essential employments who are capable of yielding a hammer and saw, who could be commandeered had to be drafted into service to help the women members of the committee Thursday in packing and casing the mountain high donations, which exceeded the quota six times.

When the last nail had been driven and tired workers left the warehouse for their homes, they cast looks of pride and satisfaction on the forty big, iron-bound packing cases piled upon the platform of the Pacific Electric, the visible evidences of Glendale's generosity and of the disinterested work of women enrolled in the Junior Department of the Glendale Red Cross Chapter, which has charge of salvage.

Mrs. Renshaw, who is the press representative of the Junior Red Cross, has turned in the following detailed report of the shipment which left Glendale Friday morning:

Number of garments from conservation room.....1,574
Number of garments from schools and salvage room.....3,564
Total number garments.....5,138
Boxes packed in conservation room.....13
Boxes packed in salvage room.....27
Total number boxes.....40
Number of pounds from conservation room.....1,739
Number of pounds from salvage room.....4,487
6,336

Those who do not believe there is fun in good work should have seen the jolly groups of packers assisting Mrs. Myton and Mrs. Thompson. Thomas Ogg, O. Spencer, George C. Hastings, Mr. McClellan and Mr. Bel-den were the saw and hammer artists and they shipped the boxes in fine shape Thursday afternoon. Boys from the High School gave school periods to this work throughout the drive, and one of the firemen gave an afternoon. The grand total is just this: Glendale has done a big thing in a big way.

From the Tropico district a shipment of clothing for the Belgians which totalled 1260 pounds went forward the first of the week, making the grand total of good, substantial clothing furnished by the city for relief purposes, of 7,486 pounds.

GILBERT WRIGHT IN PHILADELPHIA

Friends of Gilbert B. Wright, C. C. M., a Glendale boy who enlisted in the navy as a private three years ago and who is now entering upon his second term of service, will be glad to have the news that he was sent home from France the latter part of July and is now stationed in Philadelphia. During the period of his enlistment he has climbed steadily and now has the rating of Chief Petty Officer and his parents are very proud of his record. He was on board the Concord, a small submarine patrol which carries only 45 men, from November to June in quite dangerous service, his headquarters being in France.

RED CROSS DONATION

The generous response to the appeal made to the public to buy a bond for a sailor at the great "tank" meeting last night, not only made the subscription for the bond possible, but an excess something near four dollars, which the committee assured the recipient was his to dispose of as he wished. The young sailor who, by the way was "Jack Taylor of Orpheum fame," most generously gave the local Red Cross this neat little sum and Miss Carol Willisford was given the pleasant duty of presenting it to the Chapter.

Mr. and Mrs. Arthur Englehart of Brawley and their daughter Hilda, who is attending Junior College at Hollywood, are here and will be guests in the home of Mrs. Adelaide Imler and Miss Hickman on Park avenue the coming week.

TANK BOOSTS LOAN

SERGT. MCKENNON, FILM STARS AND LOCAL MEN SPEAK AT STREET MEETING

Not less than fifteen hundred people gathered at the junction of Brand boulevard and Broadway to greet the big tank which came in from Los Angeles last night to boost for the Liberty Loan. It was met at the city limits, as promised, by an escort composed of city officials and employees. Red Cross workers, the Elks' Patrol and a band from the Submarine Base at San Pedro, and reached its station at about 8 o'clock and immediately commenced operations, the band playing "The Star-Spangled Banner."

From that time on it was a continuous performance of earnest talk, fun, music and bond selling until eleven-thirty, when the tank and its corps of workers went back to Los Angeles. Sidney Lloyd, Chairman of the Tank Corps, called the crowd to order and stated that the work of raising the Fourth Liberty Loan is being hampered by the German propagandaists who have been following the tank about ever since it started and sowing the seeds of doubt and suspicion in the minds of listeners, telling them for instance that the members of the Tank Corps are getting paid for their services and collecting commissions on the bonds they sell. "That," said he, "is a lie, born in Germany, which bears the stamp of Potsdam. No person in this company receives one cent for his or her services. Another bit of German propaganda is the talk of peace. There will be no peace until Germany is absolutely crushed." (Great applause.)

Mr. Lloyd then introduced the other members of the Tank Corps, Roy Steele and Josephine Sedgwick of the Triangle Company, former American aviator, J. Robinson of Hollywood, the leading lady of the Santa Barbara Feature Film Co., and Sergeant McKennon of Australia, who saw three years of service in the thickest of the fighting, went through the Dardanelles campaign and is one of the few survivors of his regiment. He is now recuperating from the effects of three severe wounds. Otherwise he would be in service. His talk, which had the deadly earnestness of a man who knows by actual experience what a hell war is, and who had plenty of bloodcurdling facts with which to support his plea for funds to prosecute the conflict in a manner which will bring it to a sure and speedy close, as followed with especially close attention by the big crowd surrounding the tank, and so were the addresses by local orators.

DOUBLE WEDDING

Clement D. Cox, who for many years has been a resident of this section, residing with his sister, Mrs. Smalley, on her Sycamore canyon ranch, was one of the principals in an interesting event Thursday afternoon, October 3, in Los Angeles, when Rev. C. R. Norton of Glendale officiated at a double wedding, making Miss Leona Haverstick the bride of Mr. Cox and Miss Emily Haverstick the wife of Walter B. Hepter of Los Angeles.

The ceremony was performed at the home of the brides, 255 Vernon avenue, at 3 o'clock, only the immediate friends being present. Decorations of carnations formed a pretty setting for the ceremony and embellished the table where a wedding repast was served.

Mr. Cox is now engaged in business in Los Angeles, where both couples will reside.

DEATH OF MARGARET GALLOWAY FOSTER

Margaret Galloway Foster, mother of Mrs. Joseph Guidinger of 208 North Maryland, this city, died at the home of her daughter October 3d at 6 p. m. at the age of ninety-four years. She had been a resident of Glendale for five years and of California for twenty-three years, during which she had won many close friends by whom she will be sincerely mourned. She was the mother of a son, James A. Foster of San Mateo, who will be here to attend the funeral services, which will be held Monday at 2 p. m. in the parlors of the Jewel City Undertaking Company. Interment will be made in the Odd Fellows' Cemetery in Los Angeles.

GLENDAL BOY WOUNDED

It has been reported that Sergt. Robert Watling, 4th Balloon Co., who has been on the firing line in France for the past year, was wounded a short time ago and is now in an American hospital in Southern France. Word has also been received that Private John Watling has arrived safely over seas.

GERMAN RETREAT BEING CUT OFF

FRANCO-AMERICAN FORCES ARE IMPERILING THE GERMAN HORDES IN ARGONNE FOREST

(Special Service to Glendale Evening News)

LONDON, October 5.—Franco-American drives in the Argonne and Champagne region and around Rheims are imperiling the German hordes in the Argonne forest and in the newly created pocket north of Rheims are threatening the German forces with annihilation.

The Franco-American forces, according to early morning reports, are firmly holding the Arnes River and are threatening to envelop the Germans in that region. The Americans advancing east of Argonne forest are menacing the road of German escape from the woods.

In the Champagne the Americans have crossed the entire plain beyond Mont Blanc, reaching the outskirts of Epinne.

The British north of St. Quentin made substantial progress in local fighting during the night.

AMERICANS BREAK THROUGH GERMAN LINE

ENGAGED IN FURIOUS FIGHTING ON THE WHOLE FIFTY MILES OF CHAMPAGNE-ARGONNE FRONT

(Special Service to Glendale Evening News)

LONDON, October 5.—Late this afternoon battle front dispatches reported that the Franco-American forces have definitely broken through the entire German line behind the Suippe River west of Argonne.

South of the Aisne the German retirement has temporarily ended.

In the American sector on the Champagne front the Germans have finally retired behind the Krimhilde line, where stiffer resistance is expected.

The Franco-American drive towards Vougieues is within five miles of that city, which is a highly important German base and communication center. The Germans are withdrawing their long range guns from the city's defenses and are reported to be evacuating the entire Moron-Villers Road.

General Debeny's French army is threatening the German forces in the region south of St. Quentin, increasing their attacks on the northern defenses of Laon.

The Americans are engaged in furious fighting throughout the entire fifty miles of the Champagne-Argonne front. They have repulsed very bitter German counter attacks.

FIVE CENT RAILROAD FARE RESTORED

RAILROAD COMMISSION SETS ASIDE PACIFIC ELECTRIC COMPANY'S ORDER INCREASING RATES IN GLENDAL

(Special Service to Glendale Evening News)

LOS ANGELES, October 5.—In the rehearing of the Pacific Electric rate-fixing case, which is now going on, City Attorney W. E. Evans of Glendale succeeded in getting the former order issued by the company, under which the P. E. charged a ten-cent local fare within certain limits, set aside and the old rate of five cents within the city limits restored.

The presumption is that the five-cent service will be restored at once.

SHELL LOADING PLANT CATASTROPHE

EXPLOSIONS WHICH STARTED LAST NIGHT CONTINUE IN GILLESPIE PLANT WHICH IS STILL ON FIRE

(Special Service to Glendale Evening News)

NEW YORK, October 5.—Explosions at the Gillespie Shell Loading plant, which started last night, continued throughout today, sounding like a terrific bombardment. Windows have been broken many miles away, notably in Brooklyn. It has been impossible to tell how many were killed. The company estimates fifty dead. The New York Evening Ledger estimates 137 dead exclusive of the rescuers who are missing.

Soldiers in charge refuse to allow any one to approach the plant, which is still on fire.

The loss will total many millions of dollars and is chiefly sustained by the Government. The plant cost twelve millions. Constant streams of refugees were leaving the scene throughout the day. Rescue workers estimated that 800 had been injured.

AUSTRIA STILL TALKS OF PEACE

HAS ASKED FOR A "NONCOMMITTAL CONFERENCE" OF ALL BELLIGERENTS THROUGH OFFICES OF HOLLAND

AMSTERDAM, October 5.—Replying to an alleged Austrian request for a peace conference of all belligerents, said to have been made through Holland, England is reported to have answered with a demand that Austria explain what she means by "a non-committal conference." It is reported that Professor Lammasch, recent successor to Austrian Premier Hussarek, has prepared a memo stating Austria's conception of President Wilson's fourteen points and will forward it to President Wilson.

Hungarian Premier Wekerle declared in an interview: "We are laboring unweariedly towards peace. We are already negotiating."

GLENDAL INVESTMENTS

BONDS AND STAMPS PURCHASED UP TO OCTOBER FIRST APPROXIMATE HALF MILLION

Glendale's investments in Government securities to help in winning the war loom up rather large when they are all reckoned in a lump sum. It is not possible to determine with accuracy just how much has been put into bonds by residents of Glendale because for one good reason or another some of the purchases have been made through banks or other agencies outside of Glendale. Also, until the Third Liberty Loan, there was no local organization to canvass the territory or keep records of purchases. But from the figures available, which as stated are only approximate, it would seem that Glendale's investments totalled as follows:

First Liberty Loan.....	\$ 80,000.00
Second Liberty Loan.....	105,000.00
Third Liberty Loan.....	275,000.00
Total.....	\$460,000.00

War Savings Stamp sales made by Postmaster Walker of the Brand boulevard office are reported by him as follows:

Actual cash received.....	\$5,812.65
516 Thrift Cards redeemed.....	2,064.00
Total amount received.....	\$7,876.65

Total Business to October 1, 1918
Actual cash received.....\$51,424.67
3796 Thrift cards redeemed 15,184.00

Total amount received.....\$66,608.67
Mrs. Myton, postmistress at Glendale and Broadway office, reports September sales as totalling \$591.05 and sales since January 1, 1918, as \$5,044, making a total for the two offices of \$71,652.67.

When these totals are added to bond purchases, the investment in government securities previous to the present drive for the Fourth Liberty Loan, reaches a total of \$539,652 or more than half a million dollars, which will be considerably increased by the present drive.

LIEUT. KENNETH BARAGER

The many friends of Mr. and Mrs. G. H. Barager of Long Beach, formerly of Glendale, will be pleased to know that their oldest son, Kenneth Myles Barager, a graduate of Glendale Union High School and for years a resident of this city, has finished a course at an officer's training camp in France and has received a commission as Lieutenant in the Artillery Corps. Lieutenant Barager enlisted in the 23d Engineers a year ago and was sent overseas early in the spring of 1918, and was one of the eight men from his regiment to be sent to the French Artillery Officers' Training Camp on July 3d. After completing the three months' course, he received his commission as Lieutenant, ranking first in his section of twenty and fifth in his division of sixty. He has now been sent to a higher school for officers. In writing of the event, Lieutenant Barager says: "Uncle Sam surely believes in giving his officers the best of training." He also says the boys who went will never come back as boys. The ordeals through which they have to pass develop them into men. He writes that he had the pleasure of going through school with Captain Kermit Roosevelt.

CALLS FOR VOLUNTEERS

The local Board is in receipt of two calls for volunteers from men qualified for general military service, as follows:

Call A 1404. Men to be entrained on October 15th for Modern Auto School, Spokane, Washington. Qualifications for this call are: a grammar school education or its equivalent, or ability to read and write, and some aptitude for mechanical work.

Call A 1407. Men to be entrained October 15th for University of Nevada, for instruction as auto mechanics, locomotive engineers and surveyors. Qualifications for this call are: a grammar school education or its equivalent, or ability to read and write, and some aptitude for mechanical work.

These men will be assigned to various branches of the service in accordance with the needs of the Army, and are to receive no assurance of assignment to any particular branch.

Men from all classes subject to service will be given until October 9th to volunteer, when volunteer period closes. If sufficient men do not volunteer, it is likely the Board will be called upon to draft for the number lacking to fill the calls.

WEATHER FORECAST—Unsettled weather, probable showers. Southwest winds.

WHAT BONDS ARE FOR

STEREOPTICON LECTURE WILL SHOW RECONSTRUCTION WORK PLANNED

The program at the mass meeting to be held at the High School auditorium this evening will be a special observance of Woman's Day, appointed for October 5th by President Wilson and will also be promotion work for the Liberty Loan because it will show the big program to which the government is committed in its care of soldiers who are wounded and maimed by war, a reconstruction work already inaugurated in England and France and one which must soon be started in this country.

As announced yesterday, Mrs. Martha Nelson McCann, who is the government's special representative to inform the public in regard to this work, will give a lecture setting forth the things she has actually seen over there and which she will be able to make the audience see in a measure by means of stereopticon pictures, the use of which has been authorized by the government.

Mrs. McCann is a "dollar a year" woman who is giving her service freely for love of her country and the cause. She is a fine speaker and the things she has to say of soldier life over there in France are of intense interest. She was the government's spokeswoman all the way across the continent on her journey west, and will soon resume her national tour. Her message is given in preparation for the establishment of reconstruction camps in our own country for our own men who have suffered the same misfortunes that have come to the Tommies and Poles who have been doing their bit on the fighting line. It is a boost for the Liberty Loan because without money these things, which are so small in comparison with the sacrifices made by our boys over there, can not be done.

Community singing of national airs and modern war songs, with Mrs. L. N. Hagood at the piano, will also feature the program, which no one should miss who is interested in first hand information from the seat of war.

FUNERAL SERVICES FOR MRS. GOOD

Funeral services will be held Monday at 2 o'clock at the Little Church of the Flowers over the body of Camella May Good, wife of Clarence M. Good, who died at her home, 723 South Louise street, Friday morning, October 4th, 1918. She has been in delicate health for some time, but her death was a shock to many of her friends who saw her at the banquet given by the Glen Eyrie Chapter of the Eastern Star, a week ago. She was a devoted member and was very active in the local chapter until ill health forced her to relinquish her work in that connection. She was born in California August 22d, 1881, and was therefore but 37 years of age when death claimed her. She was a daughter of Mr. and Mrs. Isaac W. Easley of Los Angeles and the mother of a son, Clarence E. Good, Jr., a lad in attendance at the Intermediate school. She and her husband have been residents of Glendale for about ten years, and he has the sympathy of the community in his great loss.

A Christian Science service will be read at the funeral, and the commitment services at the grave will be conducted by officers of the Glen Eyrie Chapter of the Eastern Star. The Pulliam Company will have charge.

HIGH SCHOOL P.-T. A.

A meeting of the High School Parent-Teacher Association will be held Monday afternoon at 3:15 o'clock in the cafeteria. The new president, Mrs. J. I. Wernette, will preside. The president of the P.-T. A. Federation, Mrs. A. A. Barton, will bring greetings from that organization.

Dr. Jessie Russell, president of the State Parent-Teacher Federation and Congress of Mothers, will be speaker of the afternoon, her subject being the work of the State Association and proposed legislation of vital interest to women. A good attendance of mothers and friends of the association is expected and desired.

A MESSAGE FROM CROWDER

On October 9th, at 10:30 a. m., in the Y. M. C. A. building, Los Angeles, will be held a meeting of all the Boards of Instruction of this section which have been appointed by the Exemption Boards. This meeting will be addressed by John W. Perkins, representing Provost Marshal General Crowder. He has an important message to deliver which comes direct from the War Department. As Mr. Perkins has to cover the entire field in a few days, it has been found necessary to call this meeting in the morning.

GLENDALE, CALIFORNIA, SATURDAY, OCTOBER 5, 1918

FLYERS' NERVES ARE CONSIDERED

By Capt. Paul Bewsher
of the Royal Air Force
(Written for the United Press)
LONDON, Sept. 6. (By Mail.)—
During the whole career of a British
airman the vital factor of tempera-
ment is taken into consideration.
Long ago it was realized that flying
called for special qualities, and that
the human element had to be con-
sidered.

This is doubly true of war-flying.
From the training ground to the
active service aerodrome, the person-
ality of each individual British air-
man is closely watched and is care-
fully considered.

Before he begins his instructions
he is given one or more trips in a ma-
chine to introduce him to the new
element, in order that he may see
how he likes it. If he can not stand
it, which is very unusual, he need
never fly again.

During the period of instruction he
is allowed to take more and more
control, in accordance with his abili-
ties and inclinations, and so feelings
of nervousness are gradually elimi-
nated. Before his first flight alone,
he flies the machine many times with
the instructor in the second seat
ready to take control if necessary and
intently watching his progress.

When the pupil feels confident that
he can fly, and the instructor is sat-
isfied that he is a safe pilot, he is
allowed to fly alone. Trick flying by
inexperienced pilots is forbidden and
is punished.

During his practice flying the pilot
is under observation and is not al-
lowed to fly too long at a stretch, or
too often in one day.

In this way confidence is built up
and the airman becomes as much at
home in the air as on the ground.

If he is not well, he is not allowed
to fly. If he has a slight accident
which is likely to shake his nerve, he
is given a rest. If he should chance
to be injured he is given a long period
of convalescence in order that his
nerves may settle down and he may
be quite fit to fly again.

As soon as a pilot on active service
has "flown himself out" and is tired
and has lost his keenness, he is sent
back to England for a long rest.
At any time he does not feel like fly-
ing he is given a holiday.

Thus is the very best got out of
the airman. They are keen enough
not to want a few non-flying days un-
til they feel they absolutely must
have rest; at the same time they
know that the medical officer will or-
der it the moment it is necessary.

But if there is strain, there is also
exhilaration. Airman love the sensa-
tion of flying and love to feel a ma-
chine obeying their slightest touch.
The fighting airman, moreover, enjoys
the fierce delights of single combat.
Fighting in the air is sporting and
often chivalrous. Airman, more than
any other modern soldiers, can enjoy
the feelings which animated Coeur
de Lion and the Black Prince.

ROLL CALL OF RED CROSS FOR CHRISTMAS HONOR LIST

The Red Cross issues the follow-
ing:

The Red Cross Christmas roll call
in December, announcement of which
was recently made by national head-
quarters of the American Red Cross,
and through which it is hoped to en-
list every American in every land in
Red Cross ranks, will be held this
year in co-operation with the annual
campaign of the National Tubercu-
losis Association. This statement was
made at national headquarters in
Washington.

It is pointed out that the com-
bined campaign in all probability will
be far more effective than have pre-
vious drives of the National Tubercu-
losis Association. In the past the
latter organization has carried on an
independent campaign for the sale of
Christmas seals, the proceeds of
which have been devoted to the pre-
vention of tuberculosis in the United
States.

Arrangements are being made by
the Red Cross war council to finance
the National Tuberculosis Association
this year, as it is felt that this
war-time arrangement between the
two organizations will leave the Na-
tional Tuberculosis Association in an
even stronger position after the war
to carry on a work which, it is point-
ed out, should receive the whole-
hearted support of the whole coun-
try.

PICTURES AT PALACE GRAND

A big rollicking comedy will fea-
ture the screen program at the Pa-
lace Grand Theatre this afternoon and
evening, "Sauce for the Goose," in
which Constance Talmadge is said
to surpass her clever mirth-provok-
ing performances in "Good Night,
Paul" and "A Pair of Silk Stock-
ings." Sunday the screen will be oc-
cupied with another thrilling war
play, "Inside the Lines," by our well-
known California actor, Lewis Stone,
who was such a matinee idol in Los
Angeles. It is said to have been a
tremendous hit in New York. There
will also be a two-reel comedy,
"Billy's Fortune."

Sunday Services at the Churches

WEST GLENDALE M. E. CHURCH

During the conference year 1917-
18, this church in its various depart-
ments has contributed four hundred
dollars for Missions. It has also
contributed to the University of
Southern California in pledges and
cash seven hundred and fifty dollars.

Next Sabbath is Conference Sun-
day. The pastor left on Tuesday for
Bakersfield, the seat of the Annual
Conference.

Next Sunday morning at 11 o'clock
Rev. H. C. Claycourt will occupy the
pulpit.

Special Rally Day exercises will be
held in the Intermediate and Senior
departments of the Sunday School at
9:45 a. m.

HOLY FAMILY CATHOLIC CHURCH

Mass at 8 and 10:30. Sunday
School at 9 a. m. Sermon in English
at 10:30 service. Doors open for all.
REV. JAMES S. O'NEILL,
Pastor.

PRESBYTERIAN CHURCH

The pastor will preach both morn-
ing and evening.
Morning worship, 11 o'clock. Ser-
mon topic, "The Three Great Verbs
of the Gospel."

Evening service, 7:30 (note change
of hour). Sermon topic, "A Man
with a Prayer Program."

Sabbath School, 9:30. The three
Endeavor meetings at the usual
hours.

Communion service and reception
of new members, November 3rd.

FIRST METHODIST CHURCH

Rev. Edward Hoskyn will preach
in the morning; Rev. C. R. Norton,
in the evening.

Good musical by the choir.

Bible school, 9:30 a. m.

Class Meeting, 12:15 p. m.

Epworth League, 6:45 p. m.

Kenwood and Wilson avenue.

OCCULT SCIENCE OF CHRIST CHURCH

Independent Spiritualist

Hurt's Hall, opposite City Hall,
Glendale. Rev. A. William Goetz,
Pastor.

Sunday—9:30 a. m. Lyceum (Sun-
day School and Bible Class). 8 p. m.
Messages. 8:45 p. m. Lecture from
the text, "Let us make man in OUR
Image and Likeness." Everybody wel-
come.

Wednesday—Occult Science Health
and Success Club Meeting open to the
public. 8 p. m. Lecture subject,
"Blessings." 8:45 p. m. Messages.
All Welcome.

Tuesday—Occult Science of Christ
Church School of Divinity. Class in
Laws of Spiritual Unfoldment. 212
South Jackson street, Telephone Glen.
1276-J.

FIRST BAPTIST CHURCH

Wilson avenue (formerly Third
street) and Louise street.

Dr. A. W. Rider, D.D., of Los An-
geles, will occupy the pulpit morning
and evening. Bible School at 9:30.
Special Rally Day exercises at 10 a.
m. Preaching at 11 a. m. and 7:45
p. m. B. Y. P. U. at 6:45 p. m.

A cordial welcome to strangers at
all services

FIRST CONGREGATIONAL CHURCH

Corner Central avenue and Wilson
avenue (Third street).

Sunday School at 9:45 a. m., Mr.
Hartley Shaw, superintendent.
Reception of members and com-
munion service at 11 a. m.

Preaching at 7:30 p. m. Subject,
"Paul and Felix—Ancient and Mod-
ern." Please notice change in time
for evening service.

Christian Endeavor at 6:30 p. m.
All are cordially invited to these
services. Strangers welcome.

W. J. MARSH, Acting Pastor.

CHRISTIAN CHURCH

Elder Leonard Thompson will
preach at the morning service. Sun-
day School is at 9:30. All should be
on time. In the evening a rare treat
is promised. Cameron Johnson, a
returned missionary, will display a
series of stereopticon views, "Palestine
as I Saw It." These will be particu-
larly interesting just now that
Palestine has been redeemed from the
infidel Turk. Everybody invited to
all services.

ENGLISH LUTHERAN CHURCH

Rev. R. Warren Mottern, Pastor.

Rally Day

9:30—Sunday School. Superin-
tendent, John Esterly.

10:30—Combined service of Sun-
day School and congregation. Special
speakers: Mrs. Danford, City Librarian;
Prof. Root, of the High School.

6:30—Christian Endeavor. Presi-
dent, F. J. W. Bowman.

7:30—Evening Worship. Subject,
"Our Lord's Estimate of Money."

The day's services are planned to
be doubly interesting and helpful.

Our friends are urged to be present
to enjoy them all. Let us crowd this
"Little White Church." We can if
we will. Come.

TANK BOOSTS LOAN

(Continued from page 1)

Frederick Baker and Oliver Clark.
Between numbers the canvass for
bond sales was renewed and before
the evening closed sales aggregating
about \$11,500 had been made.

Mr. Baker, the first speaker intro-
duced, said: "I had a really good
speech prepared to deliver to you to-
night, good from my own point of
view, but you will have to take my
word for it. A new situation has
arisen that demands a special kind
of service. We are all heartened by
the news from the western front. Our
boys are going the limit it would
seem in the successful prosecution of
the war. That is well, but this in-
fluence that the speaker who pre-
ceded me has referred to, the Ger-
man propaganda, is taking advantage
of their victories to bring about a
situation that if not counteracted
will make this loan the most impor-
tant loan in the series, a failure. It
is summed up in the headlines of a
newspaper article in one of the Los
Angeles journals, 'Loan drive slowed
up by victories.' You hear the state-
ment. 'The boys will be back by
Christmas.' It is false. We should
not repeat such statements and when
we hear others make such statements
we should demand to know where
they get the facts. The greatest minds
in the world which are concentrated
on the winning of this war estimated
two months ago that it would take
two campaigns more to win the war.
Bulgaria has surrendered (applause)
as we hope to make Germany surren-
der if we who are at the second line
of defense and our boys over there
all do our part, but it has not been
determined whether Bulgaria is an
asset or a liability in the winning of
the war. The greatest defeat the
allies have suffered up to date was
when Rumania entered the war on
behalf of the allies. If we take ad-
vantage of the opportunities that the
surrender of Bulgaria presents, it
means we will have to wage another
campaign there. It means more money,
more soldiers; it means more ef-
fort on our part and instead of slow-
ing up on this drive we should put
our shoulders to the wheel and give
them the knock-out blow while we
have them going. (Applause.) The
main item of expense in this six bil-
lion dollar budget is for big guns and
ammunition. Two billions is to be
expended for that purpose alone. Ar-
tillery must pave the way before our
boys can follow up these tanks going
forward to the German lines. To be
adequate, these big guns must line
that western front wheel to wheel for
200 miles. We want big guns enough
to blast those fortifications at Metz,
which have been called impregnable,
and enable our boys to get behind the
Germans and make them run so fast
they will not stop until they get to
the Rhine and Berlin." (Great ap-
plause.)

Mr. Clark, who is one of the four-
minute men, made a brief talk in
which he impressed upon the audi-
ence the fact that it is extremely ne-
cessary for every one to do his bit
right now, that the issues of war are
too critical to be allowed to fall down
at this time. No one, he declared,
has the right to call upon the boys
to do their duty until that one is will-
ing to do his part in furnishing the
supplies the army needs to win the
war. It was good, straight talk and
won the approval and applause of the
big audience.

As before stated, the Australian,
with his different form of salute to
the flag, the Australian quirks in his
speech, greatly interested the audi-
ence, which followed his talk with
the greatest attention. Of our boys
he said:

"The American soldier has won
first rank in the finest fight in the
world. (Applause.) Every soldier
is living up to that reputation.
"Every cent you women pay for
any unnecessary article you are help-
ing to support some man who ought
to be employed in necessary work or
on the fighting line.
"They say money talks; but money
has got to sing now. See if you can
make yours sing 'The Star-Spangled
Banner.'"
He then told some of his personal
experiences at Gallipoli, where a drop
of water would have been worth a
thousand dollars if they could have
gotten it.

"Your boys," said he, "are up be-
fore Metz, the most strongly fortified
fort in the world. The Germans say
it is impregnable. The Americans
say they are going to take it, and I
say they are going to take it. (Great
applause.) People say the Germans
can not fight. I would like to take
any one who thinks that and put him
up before a big German with a bay-
onet. For every shell that is sent to
blow up the fortifications at Metz,
thousands of lives will be saved.
"Thousands of mothers in Aus-
tralia, in England, France and Bel-
gium say a prayer every night, 'God
bless the Americans.' When we heard
the news in the trenches that Amer-
ica had entered the war, we turned
to each other and said, 'Thank God,
the war is won.'"

One of the leading entertainers of
the evening was a talented member
of the Submarine Band who danced
and sang for the entertainment of
the crowd. Somebody proposed to
the crowd to buy him a bond and
thereupon the hat was passed and
\$56 collected in a few minutes. Fifty
dollars was invested in the bond and
the \$6 was turned over to the Glen-
dale Chapter of the Red Cross.

Personals

Little Richard Middlekauff, who has been one of the delivery boys on the staff of the Evening News and who lives with his parents at 337 North Cedar street, is quite ill of pneumonia.

The Evening News is advised by Mrs. Wells that Verne Freeman, one of the boys who enlisted from here a short time ago, has safely arrived in Siberia, according to official telegrams received by his parents.

Ladies of the Glendale Congregational Church to the number of about forty were guests of the East Side Congregational Church Thursday at an outing which was planned as a picnic in Sycamore Grove, but which on account of the rain took place at the church.

Irving Westwood, of the Class of 1917, Glendale Union High, has enlisted in the Student Army Training Corps at Throop College of Technology in Pasadena. Irving is the son of Mr. and Mrs. Robert J. Westwood of 515 North Maryland avenue, and has many friends in this city.

Miss Evelyn Utter, daughter of a former pastor of the Christian Church here, starts in two weeks for Bolengi, Africa, where she will be married to Dr. Pearson, a missionary. Miss Evelyn has been studying for four years to be a missionary and will undoubtedly prove a most efficient worker.

Conservation sometimes has to be practiced in mysterious ways. Major Weiler, who has just returned from the North, where he visited a rancher comrade of San Jose, tells of big pairs of fine pears for which there was no satisfactory market, going to fatten porkers on the ranch, for which there is always a sure and good market.

Julius Moniot of 414 West Los Feliz road in the Tropic district has just enlisted for limited service in the spruce timber at Vancouver Barracks, in response to a recent call for a man to be sent from this district for that kind of work. He will be entrained the 14th, 15th or 16th. He has two brothers in army service, Alfred and Edward Moniot.

Walter Jones and family have moved into their beautiful new home at 1530 Vine street (old number). This is the house formerly belonging to Mrs. Mary Garrett and which was badly defaced by fire a year or two ago. Mr. Jones has restored it to its former beauty and at the same time added much to the appearance of the street.

The only new orders the Exemption Board has received from Marshal General Crowder through Adjutant General Borree within the past twenty-four hours is an order to the effect that classification cards must not be sent out until order numbers are received by the local boards. Some of the boards have been sending out classifications without waiting for the master key numbers.

Belated information has reached the Evening News that the member of the Submarine Base Band for whom a bond was purchased by the audience at the Liberty Loan Tank meeting Friday night was Jack Taylor, formerly on the Orpheum Circuit, a very talented musician and all-around entertainer. The amount first announced was \$56, but a later count showed an amount somewhat under that sum. The surplus from the purchase of a \$50 bond was turned over to the Red Cross.

RETURN OF MAJOR WEILER

Major Weiler, father of Mrs. Joseph Griffin of Acacia street, arrived this morning from the North and met the warmest kind of welcome from the Griffin family, especially from his grandchildren, who have missed a playfellow during his absence. It will be remembered that he left Glendale to attend the G. A. R. encampment at Portland. Following that, he made a leisurely return journey, visiting friends at San Jose, stopping at Capitola to see his son, Merrill Weiler, and from there going to Pleyto, in the mountains of Monterey county, twenty miles from a railroad, where he was the guest of his old comrade Joe Saylor, by whose side he fought for four years in the Civil War. When he was ready to start for home, a terrific thunder storm broke which made travel over the mountain roads by auto impossible and his return was delayed for a day. He reports that he had a grand time and he looks fine.

BUY A BOND

The following poem written by a Glendale woman who wishes to be nameless, voices the sentiment of the women of our city.

Buy a Bond and buy it now.
Don't wait around and hem and haw;
You're going to buy—why put it off?
Speed up. It's going to win the war.
Your money's good and so is mine.
No better deed on earth to give,
So hustle up, get right in line,
Make earth a peaceful place to live.

Patriotic Poet.

FATHERS!

Julia C. Lathrop, Chief of the Federal Children's Bureau, says: "We have discovered, through research, that the chance of a child for life is 50% greater when it has a mother's care. It is our work, then, to see that the mothers are not obliged to leave their homes and work."

Are you protecting your wife in this regard, as you should?

Another query:—"Did it ever occur to you that it doesn't make any difference whether a man carries Life-insurance or not, the loss is paid for just the same? In one case the company pays for it, in the other the wife and babies pay." Now, here's your chance—let's make "the Provident" do it. Will \$10,000 be enough?

W. B. Kirk

Life Underwriter
Los Angeles and Glendale Phones

TO COMB SHIPYARDS

The local Exemption Board has received a call for one limited service man to be sent to Vancouver Barracks. The call states that the man must be fit for outdoor work in the woods. If there is a registrant fitted for this work who wants to go north, the Board would be glad to have him present himself, as otherwise they will have to draft some man to fill the need.

Letters received by the Board from Government representatives state that officials have reason to think that the Emergency Fleet has become a refuge for slackers who belong in Class 1 and who should be soldiers. Accordingly, general orders have gone forth, and this Board has received one of them, instructing it to report all Class 1 men who are employed in the Emergency Fleet, together with a description of their ability and physical condition.

While it is not supposed there are slackers of this sort in Glendale, the Board is obliged to review its lists of registrants and forward a complete report of Class 1 men in service at the ship yards, and it may be, if the list includes men who are not necessary on account of their special skill, that some of them will be summoned to camps.

THURSDAY AFTERNOON CLUB

There was a fair attendance of members at the opening meeting of the Thursday Afternoon Club of the Tropic district, which was held Thursday afternoon at the home of the president, Mrs. Wesley Bullis, at the corner of Central avenue and Los Feliz road.

The nominating committee presented a slate of officers for the coming year to be considered and voted upon at the next meeting, which will be held Thursday afternoon, October 17th, at the home of Mrs. S. E. Brown, whose old number was 301 Blanche (Maryland) avenue.

The speaker at Thursday's meeting, Mrs. Soyer, gave an excellent talk on the Red Cross, in the course of which she told of the arrangements being made for the sending of Christmas gifts to soldiers over there. The government, she says, will provide the Red Cross Chapters with lists of the near of kin of soldiers in its service, and will provide containers in which the gifts are to be sent that all packages may be of uniform size. The Chapter can then notify the "near of kin," who will secure through the Chapter a container which they will return filled to the Chapter to be sealed and forwarded by it.

A VISIT FROM HOOVER

Ever since Hoover returned from the allied conference in Europe, the government has been planning how best to get the facts gathered upon his visit before the people of the United States.

A number of able speakers have been selected who will tour the country, speaking at all towns of any importance and delivering the message Hoover gives to them for us.

This itinerary for California was arranged by Ralph W. Merritt and the local food directors for all towns were notified of their dates.

The Glendale date is set for Tuesday, October 8, at 4 p. m. at the high school auditorium. The local food director has been trying for a week to get this date changed because of the reception at the Tuesday Afternoon Club at that hour. So far she has not been successful.

The subject will be, "Food conditions of Our Allied Countries, and What Must America Do."

As this will mean much to us as householders and patriots, it is hoped that the auditorium will be filled at that time.

America has been asked to furnish 29,000,000 tons of food this year, and the housewife must save it. This war can not be won without food.

The question is not how many men can we furnish, but how many men can we save.

The United States government, realizing the importance of this question, is seeking to educate the people to the need of the hour.

Glendale has been selected as one of the places of sufficient importance to hear the message, and its citizens must respond.

MRS. C. E. HUTCHINSON, Woman Director of Food Conservation.

BURIAL OF MRS. ANGELL

Friends of Mrs. Josephine Angell, a former resident of this city, have been saddened to learn of her death Wednesday morning at the Sister's Hospital in Los Angeles. She was an enthusiastic and loyal member of the Eastern Star and always retained her membership here. An Eastern Star service over her remains was held in Los Angeles Friday morning which was conducted by members of the Glen Eyrie Chapter, Mr. and Mrs. A. M. Beamon serving as Matron and Patron, assisted by Mesdames Woolsey, Pollock, Naudain, Braden and Brock. Vocal numbers were contributed by Mrs. C. L. Peckham.

USE AND ABUSE OF SERVICE FLAG

Editor, Glendale Evening News:
I should like to ask you, sir, the proper use of the service flag in people's homes. Is it to be shown only by the home where a boy has gone to the front, a son or husband of that house, or has it to be shown by the boy's mother-in-law or father-in-law, or a brother from a separate house? This means several flags for the same boy.

I read of one case where a man sold a horse to another man and this same horse was sold to the army. Now a flag hangs up in front of the first man's stable.

I have seventeen nephews in France, but they are not from my house so I don't think I am entitled to show a service flag. As one goes around, flags are seen on almost every house. One would think every house had sent a boy over there.

It appears to me there is too much commercialism shown. I should like your opinion on the subject.

Yours, etc.,
F. BOOTH,
318 Broadway, Glendale.

RALLY DAY

The Sunday School of the First Baptist Church will hold their yearly rally Sunday morning, October 6th, at 10 a. m.

All members who have been away for any reason should be present to help boost for a successful rally and do what you can to help get the fall program in full swing. Any stranger who desires to come will be given a glad welcome, and you will be sure to enjoy the program which is being planned for you.

Come early and avoid the rush.

THANKS

We wish to express our sincere appreciation for the hearty co-operation and good will accorded us by our many friends and patrons in our initial week of business partnership. We'll meet you more than half way.

ROY LAPPIN,
HARRY M. GOLDSMITH,

BUSY WEEK FOR MILLER

H. L. Miller Co. reports business good. Rentals for the past week were as follows:

Rented Dr. F. M. Collier from Los Angeles, 1318 West 9th.
Rented J. H. Bassell, from Iowa, 119 West 2nd.

Rented Mrs. J. F. Hornsey, 1107 Lomita.
Rented C. A. Wood, 1610 West 5th street.

Rented Miss A. C. Terry, 1450 Riverdale drive.
Rented Mrs. E. N. Bowman, 1221 West 1st.

Rented H. M. McCallister, 1458 West Oak street.
Rented J. P. Murphy, 1520 Patterson.

Rented Tom Patten, 3 acres and fine home in La Canada.
Rented Geo. E. Williams, 1209 Lomita.

Rented W. A. Beach, just from France, where he has served three years driving an ambulance wagon. He has been wounded many times but is still in the ring. He with his sister will make his home at 1420 Lorraine street.

Sold John P. Lampert's place at 222 South Glendale avenue, 6-room house completely furnished, to H. L. Beckford, a newcomer from the Philippines. Has lived there for years and now wants to make his home in Glendale.

Sold for Wm. T. Page his home at 1638 Oak street, consisting of house and two lots, to E. H. Behringer from Los Angeles, who wants to make Glendale his future home.

DORAN STREET P.-T. A.

The first meeting for the season of the Doran street P.-T. A. was held at that school Wednesday afternoon with the president, Mrs. E. E. East, presiding. A large number of mothers was present and much enthusiasm was aroused by the outline of work for the coming year presented by committee chairmen. Mrs. A. A. Barton was the speaker of the afternoon, her talk being along the lines of promoting a closer union between the home and the school.

Musical numbers were given by Misses Ruth Ryan, Helen Beach, Billy Gray and Martha Ray, all members of the High School Ukulele Club, who sang popular songs to the accompaniment of their instruments, their contributions being much enjoyed by the mothers.
Margaret Lusby also sang two charming numbers in solo. Miss Alice Gray Beach furnishing her accompaniment.

The program was followed by a social hour in which the mothers visited with the teachers.

RESPECT FOR UNIFORM

I am an old maid, but I love children and enjoy to see them have a good time, but I did not enjoy the actions of a few of the Boy Scouts at the tank meeting in Glendale last evening. These boys were dressed in the regulation Boy Scout uniform and they should be instructed to do nothing that will disgrace that uniform and the flag of their country. Let me repeat that the actions of some of the boys at last evening's meeting were very improper.

Patriotic Lady.

STUDENT NAVAL TRAINING CORPS

Chairman Lanterman of the Exemption Board calls attention to the fact that a students' navy training corps has been provided at the University of Southern California which

**Just as a
Mighty Oak**

Can grow from a small acorn—so can a fortune grow from a small bank account.

Both when well started have a steady growth. You can start your account this month. Even though it be a small one at first, if you will steadily add to it in a few years you will have a capital worth working for.

If you live in Glendale, make up your mind to start an account in this Glendale Bank and watch your money grow with the bank and the town.

This Man Has Paid

Unselfishness, honor, service urged this boy on to his final effort-to his last drop of blood.

There is very little we "stay-at-homes" can do to match this bravery at the front.

One of the little things we can do is to lend to our Government NOW.
